

House _____ Amendment NO. _____

Offered By _____

1 AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 9, Pages
2 4-5, Section 192.300, Lines 1-35, by deleting all of said section and lines from the bill and inserting
3 in lieu thereof the following:
4

5 "192.300. 1. The county commissions [and], with approval of the county health center
6 boards of the several counties, may make and promulgate orders, ordinances, rules or regulations,
7 respectively as will tend to enhance the public health and prevent the entrance of infectious,
8 contagious, communicable or dangerous diseases into such county, but any orders, ordinances, rules
9 or regulations shall not be in conflict with any rules or regulations authorized and made by the
10 department of health and senior services in accordance with this chapter, or by the department of
11 natural resources under chapters 640, 643, and 644, or by the department of social services under
12 chapter 198. The county commissions [and] , with the approval of the county health center boards of
13 the several counties, may establish reasonable fees to pay for any costs incurred in carrying out such
14 orders, ordinances, rules or regulations, however, the establishment of such fees shall not deny
15 personal health services to those individuals who are unable to pay such fees or impede the
16 prevention or control of communicable disease. Fees generated shall be deposited in the county
17 treasury. All fees generated under the provisions of this section shall be used to support the public
18 health activities for which they were generated. After the promulgation and adoption of such orders,
19 ordinances, rules or regulations by such county commission [or], with the approval of the county
20 health board, such commission [or], with the approval of the county health board, shall make and
21 enter an order or record declaring such orders, ordinances, rules or regulations to be printed and
22 available for distribution to the public in the office of the county clerk, and shall require a copy of
23 such order to be published in some newspaper in the county in three successive weeks, not later than
24 thirty days after the entry of such order, ordinance, rule or regulation. Any person, firm, corporation
25 or association which violates any of the orders or ordinances adopted, promulgated and published by
26 such county commission is guilty of a misdemeanor and shall be prosecuted, tried and fined as
27 otherwise provided by law. The county commission [or], with the approval of the county health
28 board of any such county, has full power and authority to initiate the prosecution of any action under
29 this section.

30 2. In regards to any orders, ordinances, rules, or regulations pertaining to the production,
31 harvesting, storage, drying or raising of agricultural commodities, including the raising of livestock,
32 the county commission, with approval of the county health center board, shall:

33 (1) Not assess a fee greater than two hundred dollars to carry out such orders, ordinances,
34 rules, or regulations;

35 (2) Be administered by county staff who are certified as concentrated animal feeding
36 operators by the department of natural resources;

37 (3) Not impose requirements on land application that are more stringent than imposed by a permit

Action Taken _____ Date _____

1 issued by the department of natural resources."; and

2
3 Further amend said bill, Page 10, Section 262.795, Line 2, by deleting the word "agricultural" and

28
29 Further amend said bill, Page 20, Section 578.012, Line 13, by inserting after all of said section and
30 line the following:

31
32 "Section 1. Any cattle initially testing positive for trichomoniasis may be retested within ten
33 days of the laboratory report. If the producer does not have the animal retested within ten days of the
34 laboratory report, the animal shall be considered trichomoniasis positive. If the results of the retest
35 are positive for trichomoniasis, the animal shall be considered trichomoniasis positive. If the results
36 of the retest are negative, the producer must have a third trichomoniasis test conducted. If the results
37 of the third test are negative, the animal shall be considered trichomoniasis negative.

38 Section 2. A species-specific animal health advisory committee shall be established by the
39 Missouri department of agriculture and utilized during the development and evaluation of all animal
40 health rules, regulations and legislative positions. In addition to meetings during the development
41 and evaluation of such animal health rules, regulations, and legislative positions, a representative of
42 each species-specific committee shall meet with the director or his or her designated representative
43 the first Tuesday of every month."; and

44
45 Further amend said bill by amending the title, enacting clause, and intersectional references
46 accordingly.
